YOUNG & ALIVE
Summit

EMPOWERING THE NEXT GENERATION OF LEADERS IN HEALTH AND DEVELOPMENT ECOSYSTEM

The Young & Alive Summit is a flagship platform that brings together young leaders, policymakers, advocates, and development partners to drive youth-led solutions in Sexual and Reproductive Health and Rights (SRHR), mental health, gender justice, and youth empowerment.

The Young & Alive Summit 2026 aims to foster meaningful youth engagement, strengthen partnerships, and scale up an existing integrated national youth platform that promotes youth leadership, policy influence, and investment in youth-led solutions to improve the health, well-being, and development outcomes of adolescents and young people in Tanzania.

We call for like-minded stakeholders to partner with us!

By partnering with the Young & Alive Summit, your organization can:

1. Strengthen youth-led innovation, youth leadership, and development.
2. Engage directly with youth priorities and grassroots realities.
3. Be part of a national and international movement shaping the future of Tanzania's youth as a generation of change-makers.
4. Support evidence-based advocacy and policy dialogue.
5. Contribute to sustainable solutions beyond a single event.
6. Contributes to equipping young leaders with the skills and tools necessary for their personal and professional growth.
